

OCLC Partnership Program

August 2021

Libraries in the Northland Library Cooperative that are unable to locate/borrow ILL materials via MelCat may send their requests to OCLC via the libraries listed below. Libraries supplying the service will be reimbursed at \$5.00 per requested item. Requests should be sent to the library and ordered under the library's symbol. For example, Otsego County Library would use their symbol to order items for Wolverine and when the items are received, they will be placed in delivery to the requesting library (Wolverine). At the committee meeting in August 2017, it was decided that NLC would support OCLC World Cat annual fees for TADL, Petoskey District Library and Otsego County Library. Below is the list of libraries where OCLC requests should be forwarded by members.
